Collaborate

Deliver cashable cost savings through:

Operational

Faster response times
Sharing of specialist
resources

Sharing of specialist
resources

Control Room

Major incidents: COP for
gold/silver command

Efficiency of control
room operators

Organisational

More efficient
deployment of resource

Greater public
accountability

Mobilising operational processes

Delivering operational efficiencies by providing comprehensive mobile communications to front line users

Mobile Applications demonstrations

Run live demonstration of current and future public safety applications from Airwave and 3rd parties at SIPR 2014.

If you are interested in seeing or discussing the demonstration please contact euos.evans@airwavesolutions.co.uk or drobinson@kelvinconnect.com

Pronto

Key benefits:

- Complete digital, paperless policing solution - supporting the National Vision for Policing 2016
- Huge improvement in user and public experience
- Reduces bureaucracy delivering significant operational effectiveness, much more front line time
- Removes rekeying and duplication in back office to deliver significant cashable savings

Thank you for listening
